

**BIG LEAGUE DREAMS**  
SPORTS PARKS

## **COVID-19 Preparedness & Safety Plan**

To help slow the spread of Covid-19 and safeguard our players, guests, and employees, Big League Dreams has implemented the following guidelines and policies in accordance with all local and state mandates, as well as recommendations from the Centers of Disease Control.

### **Measures to Protect Employees, Players and Guests**

- Standard social distancing guidelines will be in place at the main entrance, Stadium Club restaurants, Snack Bar, all seating areas, and throughout the entire facility. Appropriate signage and markings will be placed in designated areas to help our guests with these guidelines.
- Face Coverings will be required at all times unless participating in games.
- Touchless hand sanitizer dispensers will be located throughout the facility.
- All Big League Dreams employees will be required to wear gloves and protective masks at all times, and practice all social distancing guidelines. Employees who exhibit signs or symptoms of Covid-19 will be asked to stay home or sent home from work.
- Protective barriers will be installed at all point-of-sale and food pick-up locations.
- Restrooms, counters, doors, railings, tables, and chairs will be sanitized frequently throughout the day/night when the facility is open each day. Only products from the EPA "N" list will be used.
- The self-service station consisting of condiment packets, straw, utensils, napkins and coffee creams will be moved behind the front counter to be handed out by our Food and Beverage staff as requested.
- When applicable, multiple entrances, exits, and sectioned seating will be utilized to allow for social distancing guidelines.
- Seating will be blocked as needed to allow for social distancing.
- All local and state mandates regarding restaurant and facility capacity limits will be strictly followed.
- Our park affords the opportunity to socially distance with 30+ acres of mostly outdoor space.
- Arcade area will be closed.
- Bag checks at the front gate will be temporarily eliminated.

- Hand stamps for park reentry will be cleaned with a disinfectant wipe after each use.
- Coolers will not be provided inside the dugouts during league and/or tournament play. Guests may bring a cooler inside the park containing water or fruit only. Coolers will be inspected by Big League Dreams staff upon entry and periodically to ensure compliance.
- Before, during and after games, no player handshakes will be allowed.
- No sunflower seeds, gum or tobacco products will be allowed.
- Stadium seats will be blocked off for players and coach utilization to allow for team social distancing inside and outside of the dugouts. Players, coaches and spectators of opposing teams should not mix together.
- Dugouts will have designated entry and exit for teams coming and going.
- Players/spectators will be encouraged to minimize the time prior to arrival for their scheduled games and teams will be asked to depart the field immediately upon completion of their league/tournament game.
- Guests that refuse to comply with these safety guidelines will be asked to leave the facility.

**It is our utmost priority to ensure the safety of everyone who chooses to work or play at Big League Dreams. Thank you for your cooperation and patience during these unique times.**
